Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, slightly stained paper and appears to be a list or a series of entries, possibly related to a military or administrative record. The handwriting is dense and somewhat difficult to decipher due to the cursive style and fading.

Handwritten text in a cursive script, continuing from the previous page. It includes several lines of text, some of which are more legible than others. The text seems to be a continuation of the historical or administrative record mentioned in the first block.
